Re: 2023-2024 Annual Members Renewal Application

=====

Welcome to the 2023-24 soccer season!

Here you will find the forms and online links for your 2023-2024 renewal or application of your organization's membership with the Manitoba Soccer Association (MSA).

As a current member, your organization is receiving either a "renewal" of membership application or "renewal" of registration application. The application is based on your past applications to determine which category of membership is appropriate for your organization under the MSA Rules and Regulations as described in Article II.

Organizations, whether a Voting or Non-Voting Member defined by Article II, must be registered with the MSA by annually submitting the prescribed application form, annual fees directly or via the Voting or Non-Voting Member, and any other information required by the Association. Since your organization is a not a new member, but rather renewing its membership, the organization simply needs to return the completed form, required documents, and fees as approved by the Association to maintain its membership status.

Note: Winnipeg Community Clubs/Youth Clubs must submit their fees through the District/Association with the exception of those who received their own QSP which must submit their fees (\$150) directly to the MSA.

Please Note - The persons named in Section 3 & 4 of the MSA Members Renewal or Registration Application will be considered the owners / officers / executives of record and as such are recognized as the only persons authorized to act on behalf of said organization.

The requirements of Article II, the application form, the required documents, and the fee must be submitted together online via the registration form by the deadline of **MAY 15th, 2023**.

*****All membership registration forms can be found here*****

Please be aware that the completed application and other requirements must be submitted by the deadline date or late fees will apply. If not received, the organization may be declared in bad standing by the Association. Player cards (for Senior Clubs) will not be processed until the Association receives all forms and fees.

Please refer to the Association's website at www.manitobasoccer.ca for information regarding:

- MSA office hours
- 2023-2024 Fee Schedule
- MSA Privacy Policy
- Provincial Championships
- Other programs and activities
