February 1, 2022

Dear MSA Members,

Please note that yesterday, January 31st, 2022, the provincial health authorities extended the current public health orders from February 1st, 2022, until February 8th, 2022.

As a reminder for the current indoor season:

- Practices and games may continue.
- No tournaments may be held.
- Facilities may only have 50% of the usual spectator capacity of the facility or 250 persons, whichever is lesser.
- The vaccination requirements to enter the facilities that have been in place to date continue.
- Everyone entering the facilities must wear a mask. Participants on the field of play may remove the mask once on the playing surface, if they so choose.

Please ensure that you continue to follow the restrictions, MSA Return to Play and facility protocols.

Thank you for your efforts in keeping our sport active and for doing your part to help our community return to some “normality”.

Yours in soccer,

Héctor Vergara
Executive Director
