February 8, 2022

Dear MSA Members,

Please note that as of today, February 8th, 2022, the provincial health authorities' changes to the current public health orders take effect until February 22th, 2022.

The current indoor season health orders:

- Practices, games, and tournaments are permitted
- Facilities may only have 50% of the usual spectator capacity of the facility.
- The vaccination requirements to enter the facilities that have been in place to date continue.
- Everyone entering the facilities must wear a mask. Participants on the field of play may remove the mask once on the playing surface, if they so choose.

Please ensure that you continue to follow the restrictions, MSA Return to Play and facility protocols.

Thank you for your continued efforts in keeping our sport safe.

Yours in soccer,

A handwritten signature in black ink, appearing to read "Héctor Vergara".
