Dear MSA Members,

Please note that the provincial health authorities announced on Friday, January 7<sup>th</sup>, 2022 that the current restrictions are being extended until February 1<sup>st</sup>, 2022.

In addition, the sports community has received a clarification with regards to tournaments:

- Tournaments are defined as a single or multi-day gathering of three or more sport teams, who come together outside regular league play, but does not include; a gathering where team members compete on an individual basis against members of other teams.

As such, to clarify the key is, “teams, **who come together outside regular league play**”. This is irrespective of the format of the tournament/competition outside the regular scheduled league play.

Please ensure that you follow the restrictions a previously sent to you on January 4<sup>th</sup>, 2022, and follow MSA Return to Play and facility protocols.

Thank you,

Héctor Vergara  
Executive Director
