January 22, 2021

Dear MSA Members,

Based on the provincial health authorities' recent announcement that Manitoba remains in code Red with no changes in the restrictions for the sport sector, in person sanctioned soccer activities will continue to be suspended in Manitoba until at least February 12<sup>th</sup>, 2021.

If the province moves into the Orange (restricted) level, we will be able to return to either Stage 1 or Stage 2 of the Return to Play Guidelines. A reminder that competition will not be allowed to commence until we are in Return to Play Stage 3, which coincides with a provincial health region being in the Yellow (caution) level.

The Member Leagues have informed us that they will soon announce their decision on indoor competitions for the remainder of the 2021 indoor season.

We thank the Members for continuing to provide virtual solutions to players, coaches, and referees until we can return to the pitch safely. We commend everyone for the work they have put in thus far to keep their membership engaged.

Thank you for your patience during this difficult time.

Please be safe.
