May 21, 2021

Dear MSA Members,

Due to yesterday's provincial health authorities' announcement related to new restrictions, all in person sanctioned soccer activities are suspended immediately until further notice.

The MSA will communicate with Members next week to provide further guidance related to when we may return to sanctioned soccer activities. This may be late next week or some other time depending on how the pandemic continues to evolve and potential new direction from the provincial health authorities is received.

We plead with our Member Organizations to follow the public health orders to do our part in keeping our community safe.

Thank you and take care,

Héctor Vergara
Executive Director
